Position: Engineers Assistant
Location: London
Closing Date for Applications: Open until a suitable candidate is appointed

We have a fantastic opportunity for an Engineers Assistant at our busy London office.

Reporting to the Repair Supervisor, the successful applicant will assist a Repair Engineer with major and minor repairs in their day to day duties as necessary.

The main areas of responsibility will include, but not be limited to the following:

- A practical approach, although previous experience is not necessary
- Assisting the Repair Engineer with lift major and minor repairs
- Punctuality and reliability are essential
- DBS check will be required

The hours will be 8am to 5pm Monday to Friday.

This is a fantastic opportunity for a long term career at a family owned company with the potential of leading to a rewarding career.

Benefits of the position for the right applicant include:

- Competitive salary
- Participation in the company profit share scheme after a qualifying period
- Contributory pension scheme
- 25 days paid holiday in addition to public holidays
- Mediacash Health scheme and Wellbeing Scheme
- Contributory Private Health Care scheme

Still interested? Then please apply (in confidence) together with your CV to:
