

'friendly, local service...**nationwide**'

Lifts • Escalators • Cradles

People are our most **important** asset. That's why we are always looking for smart individuals with diverse backgrounds - people who like to **ask questions**, **solve problems** and **insist on providing a better service** to our customers.

**Position:** Installation Engineer  
**Location:** London  
**Closing Date for Applications:** Open until a suitable candidate is appointed

---

We have a vacancy for an Installation Engineer based at our London office. The main areas of responsibility will include, but not be limited to the following

- Installation of new lifts, including MRL type lifts.
- Major refurbishment works, including back to guides.
- Removal of existing lifts.

The successful applicant will report directly to the Installations Managers and site supervisors. As always, personality and customer care is of vital importance and the ability to properly communicate with the Installation team is essential.

The ideal candidate should have the following:

- Proven experience
- Minimum NVQ 3 in Installation and Major Refurbishment.
- A Valid Driving Licence
- Able to communicate effectively with clients, colleagues, and internal departments

Benefits of the position for the right applicant include

- Competitive salary
- Company van
- Participation in the company profit share scheme after a qualifying period.
- Contributory pension scheme.
- 25 days paid holiday in addition to public holidays.
- Medicash Health scheme and a contributory Private Health Care scheme.

Still interested? Then please apply (in writing and in confidence) together with your CV to:
