People are our most **important** asset. That's why we are always looking for smart individuals with diverse backgrounds - people who like to **ask questions**, **solve problems** and **insist on providing a better service** to our customers.

Position: Engineer within Mobility & Building Access Department
Location: London
Closing Date for Applications: Open until a suitable candidate is appointed

We have an opportunity for an Engineer within Mobility and Building Access based at our busy London office.

The successful applicant will report directly to the London Mobility & Building Access Manager and will be responsible for:

- Experience within the Mobility and Building Access sector and associated trades
- Previous experience and qualifications are necessary to a minimum NVQ2
- Punctuality and reliability are essential
- Full Drivers Licence Required
- Able to communicate effectively with clients, colleagues and internal departments

Benefits of the position for the right applicant include:

- Competitive salary based on proven experience
- Company vehicle
- Participation in the company profit share scheme
- Contributory pension scheme
- 25 days paid holiday in addition to public holidays
- Medicash Health scheme and a contributory Private Health Care scheme

Still interested? Then please apply (in writing and in confidence) together with your CV to:
