

'friendly, local service... **nationwide**'

Lifts • Escalators • Cradles

People are our most **important** asset. That's why we are always looking for smart individuals with diverse backgrounds - people who like to **ask questions**, **solve problems** and **insist on providing a better service** to our customers.

**Position:** Service Engineer  
**Location:** London  
**Closing Date for Applications:** Open until a suitable candidate is appointed

---

We have an opportunity for a Lift Service Engineer, based at our busy London office.

The successful applicant will report directly to the London Service Manager and will be responsible for carrying out lift maintenance, callouts and minor repairs, predominantly within the Ipswich area. However, may be required to work in other surrounding areas.

The main areas of responsibility will include, but not be limited to the following:

- Lift maintenance, callouts and minor repairs.
- Management of service route and the processing & transmitting of route paperwork.
- Completion of insurance report items.
- LG & ST testing.
- Participation within the night call rota.

The ideal candidate should have:

- Proven experience & a minimum NVQ3 qualification or equivalent.
- Strong customer skills.
- A current valid driving licence.
- DBS check will be required.

Benefits of the position for the right applicant include:

- Competitive salary.
- Company vehicle.
- Participation in the company profit share scheme after a qualifying period.
- Contributory pension scheme.
- 25 days paid holiday in addition to public holidays.
- Medicash Health scheme and a contributory Private Health Care scheme.

Still interested? Then please apply (in writing and in confidence) together with your CV to:
